

## **Michele Antonelli**

### **Executive Vice President Technical Operations & Quality Assurance**

Appointed in September 2007. Michele has a degree in Plant Biology from the University of Bari, Italy, and qualified the ENI's post graduate program in Biotechnology and in Advanced Genetics (molecular and somatic cell) at the Catholic University of Piacenza and the Iowa State University of Ames, USA.

From 1985 to 1992, he worked at Enichem, in Italy, as Research Fellow and then Head of the Molecular and Cell Biology Unit. In 1992 he joined Serono where he held several senior managerial positions until the present day, gathering about 15 years experience in the QA and Manufacturing fields. His last position there was as Senior Vice President Biotech Manufacturing & Process Development, based in Geneva.
