

Ulf Wiinberg

Independent Director

Member of the Board since 2016

Member of the Audit Committee since 2016

Ulf Wiinberg serves as CEO of X-Vax Therapy Inc, since April 2017. X-Vax Therapy Inc is a privately held biotech company operating out of Jupiter Florida. The main mission of the company is to develop a vaccine and/or a therapeutic against Herpes Simplex.

Ulf also serves on the following listed company boards, in addition to UCB: Hansa Biopharma - Lund Sweden - as Chairman, Alfa Laval - Lund Sweden - as a Director, and Angus, an immune oncology company - Lexington Massachusetts - as a Director.

Ulf has had a long career in the Pharma industry at senior levels. Ulf was CEO at Lundbeck from June 2008 to December 2014. Ulf was also part of the Wyeth Management committee from January 2002 to June 2008. During this time Ulf was worldwide President of Wyeth Consumer Health care from 2002 to 2005, and President for Europe / Middle East / Africa until June 2008. Wyeth was acquired by Pfizer in 2009.

Ulf has also served on the most important industry boards in different capacities.

Ulf brings to our board experience of biotechnology, pharmaceutical and healthcare industries globally.
