

Cédric van RIJCKEVORSEL

Director

Member of the Board since 2014

A Chartered Financial Analyst from the CFA Institute, Cédric van Rijckevorsel also holds a Commercial Engineer degree from 'ISC Saint Louis' in Brussels.

He started his career in Bank Brussels Lambert (ING Group) followed by Generale Bank (Fortis Group). In 1996 he joined Lombard Odier & Cie, Private Bankers in Switzerland, then in Hong Kong and in 2001 became Senior Portfolio Manager at Bank Syz back in Switzerland.

In 2004 he founded IDS Capital SA in Geneva of which he became Managing Director. After spending close to 10 years building and growing IDS Capital SA into an asset manager in Switzerland, Cédric set up IDS Capital (UK) Ltd entity in London of which he is the CEO. He remains the Chairman of IDS Capital SA, the group holding company.

Since 2015, Cedric has been involved in helping develop new technology focused companies having an impact for people, businesses and the society overall across Europe and the United States.

He is a Member of the Board of Barnfin SA.

Cédric is also a Board member of Financière de Tubize SA, a Euronext listed holding company and core shareholder of UCB.
