

Stefan OSCHMANN

Chair of the Board of Directors

Independent Director

Member of the Board since 2021

Member of the Governance, Nomination and Compensation Committee since 2021

Date of birth: 1957

Nationality: German

Gender: Male

End of term: 2025

Introduction & Professional experience

Stefan Oschmann was Chairman of the Executive Board and CEO of Merck. Before taking office at the end of April 2016, he served as Vice Chairman and Deputy CEO, with responsibility for Group Strategy, among other things.

Stefan Oschmann joined Merck in 2011 as a member of the Executive Board and was responsible for the Healthcare business sector until the end of 2014. He drove the transformation of the Biopharma business by optimizing its cost structures and improving the efficiency of its research & development model, which included a clear portfolio prioritization.

Before joining Merck, Stefan Oschmann worked for the U.S. pharma company MSD, where he served in a range of senior executive positions. He started his career at an agency of the United Nations and worked for the German Chemical Industry Association (VCI).

Stefan Oschmann was born in Würzburg, Germany in 1957. He holds a doctorate in Veterinary Medicine from Ludwig-Maximilians-Universität in Munich. He is married and has two children.
