

Registration instructions on Lumi Connect platform

Welcome to Lumi Connect!

Lumi Connect is a platform dedicated to general shareholders meeting registration and voting.

By clicking on the link www.lumiconnect.com, you can now (i) register for the annual general meeting of **UCB SA/NV** (the “**General Meeting**”) scheduled on **Thursday, 25 April 2024, at 11:00 am CEST, at the registered office of UCB SA/NV, Allée de la Recherche 60 - 1070 Brussels** and (ii) nominate a proxy holder.

As a shareholder, you will bear no costs to register and/or nominate a proxy holder via the Lumi Connect platform.

The deadline for registration on the Lumi Connect platform is **19 April 2024, 15:00 CEST**.

Please read the following information carefully before proceeding.

STEP 1: CREATE AN ACCOUNT

If you do not already have a Lumi Connect account, please sign up first (go to www.lumiconnect.com). You will receive an email to activate your account and create your own password. After confirmation, please login with your email address and password.

STEP 2: START REGISTRATION

- Please fill in your **phone number** and **National ID number**.
- If you are a holder of **dematerialized shares**:
 - You need to select the name of the **intermediary** (e.g., the bank) where you have your account on which your UCB shares are held. A dropdown menu automatically fills in the BIC/LEI number. If your intermediary is not on the list, choose **OTHER** and fill in the data manually.
 - Then, fill in your **account number on which your shares are held** (i.e., the bank account number on which your shares are held): enter only numbers.
- If you are a **nominative shareholder**:
 - You don't have to fill in your intermediary and share dealing account number, you can just select “**NOMINATIVE**”.
- Both for nominative and dematerialized shareholders: indicate the **total number of UCB shares** you want to register to participate in the meeting.

All fields must be correctly filled in.

You will see a confirmation page that you need to check before pressing **CONTINUE** at the bottom.

STEP 3: SELECT YOUR PARTICIPATION MODE

You are now requested to indicate how you would like to participate:

- **Request to attend** (in person in the room, with voting during the AGM)
- **Nominate a proxy** (someone who may vote with voting instructions on your behalf)

In case you prefer to appoint your own proxy holder, please select the option “Nominate a proxy”, then “Other” and fill out the name and address of your designated proxy holder.

Otherwise, our shareholders may give proxy to Mr. Bart De Vry. To this extent, please select the option “Nominate a proxy”, then “Secretary General”.

Once the proxy holder is selected, the resolutions will appear to allow you to give your voting instructions on each item of the agenda.

IMPORTANT

Click on **FINISH** to finalize your registration.

The process is now completed. You can now close your browser.

At any time, you can log in again and change your status by pressing cancel and reselect your preferred meeting participation option.
