

Cédric van Rijckevorsel

Member of the Board since 2014

Member of the Audit Committee since 2024

Date of birth: 1970

Nationality: Belgian

Gender: Male

End of term: 2030

Introduction & Professional experience

Cédric van Rijckevorsel is a Chartered Financial Analyst from the CFA Institute and holds a Commercial Engineering degree from 'ISC Saint Louis' in Brussels. He is also an alumnus of the Singularity University Executive Program.

Since 2024, Cédric has been the Managing Partner and Founder of AlgoScient SARL. In this role, he focuses on leveraging a scientific approach towards multi-asset investments.

Previously, Cédric founded IDS Capital SA in Geneva in 2004 and, IDS Capital UK Ltd in 2013 where he served as Managing Partner and Chief Investment Officer. He successfully grew IDS Capital into a multi-asset management company with a global investment footprint, serving as Managing Partner and Chief Investment Officer until mid-2024.

From 2015 onwards, Cédric has actively supported and invested in the development of new technology-focused companies that have a significant impact on people's lives, businesses, and society across various geographies, including Europe, China, the United States, and Austral-Asia. His investment interests span sectors such as Digitalization, Health Tech, Smart City Technologies, Blockchain, and Climate-related technologies. Over the years, he has built a global network of Global investors and key opinion leaders in these fields.

Earlier in his career, Cédric held various positions in various financial institutions, including Bank Brussels Lambert (ING Group), Generale Bank (Fortis Group), Lombard Odier & Cie, and Bank Syz in Switzerland.
