

Jean-Christophe Tellier

Jean-Christophe Tellier joined UCB in 2011. He will become CEO-Elect on March 1, 2014 after having successfully led UCB's BioBrands and Solutions division as Executive Vice President.

Jean-Christophe Tellier is an experienced global leader. He was trained as a Medical Doctor and specialized in rheumatology. He has built a distinguished 25-year career in the biopharmaceutical industry, taking on different global leadership responsibilities in different parts of the world.

His patient-centric approach, his passion for science, combined with his strategic and operational skills, have allowed him to significantly contribute to UCB's success in recent years. He was the main architect of the new Patient Solutions organization UCB implemented a year ago.

For Jean-Christophe "engaging the patient in our vision is the best way for our company to be successful in the long term. Having a holistic view of a patient, of his/her life in his/her environment is essential to ensure effective treatment". Jean-Christophe also believes that "all healthcare players - physicians, payors, carers, industry and academia - should cooperate even more effectively and become stronger partners sharing a same goal: improving patient care".

As a leader, Jean-Christophe has always had a passion for developing people, which he sees as "a key force to drive company success". His ambition is to continue to further engage UCB teams behind the company's vision and fully leverage UCB's strong culture and talents.
